

Advanced Excel Workshop

We are honored to work with Steve by sponsoring a one-time class on Microsoft Excel covering various tools and techniques, including a case study, on the following topics:

- Building spreadsheets - planning and implementation
- Financial logic functions
- Building a workbook - connecting the spreadsheets
- Making the workbook interactive

You should have a working familiarity with Excel concepts and experience creating and working with spreadsheets.

Date: Friday, February 17, 2012
Location: Commercial Real Estate Institute
1841 N. 24th Street, Phoenix, AZ 85008
Time: 9:00 am - 3:30 pm
Cost: \$65.00. If you wish to donate an amount in excess of the class fee, 100% of the additional contributions will go directly to the family.

Register by going to the link on the Ezine.

As most of you know, we lost a valued colleague and friend late this past year, Tim Hatlestad, CCIM. Steven Price, CCIM, past president of the CCIM Institute, has approached the Chapter to hold a fundraising opportunity for the Hatlestad Family. Steve is donating his time to teach this class in memory of his long time friend

**ALL PROCEEDS, NET OF FACILITY COSTS, WILL GO DIRECTLY
TO HATLESTAD FAMILY (CARRIE AND HER TWO CHILDREN)**

Thank you -
Alan Davidson, CCIM
Central AZ CCIM Chapter President
